Dear Colleagues and Friends,

The Water Professionals Conference 2020 is still scheduled to take place, as planned, July 19-22, 2020, in Chattanooga, TN. We are fully committed to taking appropriate precautions to provide a safe and healthy environment for attendees and we will alert our members and attendees if circumstances warrant changes to this event.

Therefore, as the COVID-19 (also known as coronavirus) pandemic unfolds, the management of both KY/TN Section AWWA and Clean Water Professionals of KY & TN (CWP-KT) are closely monitoring the guidance from the [U.S. Centers for Disease Control and Prevention \(CDC\)](#), the [World Health Organization \(WHO\)](#) and other leading voices in the worldwide public health community. We are also paying close attention to Kentucky, Tennessee, and local Chattanooga health organizations and experts.

Thank you for your participation in the Water Professionals Conference and your commitment to our shared mission of protecting public health through safe, clean and sustainable water.
